**"NEW SECTION. Sec. 1.** The legislature finds that the health and safety of the traveling public, law enforcement, and emergency medical service providers are enhanced by the voluntary sharing of information about medical conditions, including deafness and developmental disabilities. Licensed drivers and applicants who wish to voluntarily include a medical alert designation on their driver's license can provide law enforcement and emergency medical service providers with the opportunity to know at the point of contact or shortly thereafter that there is a medical condition which could affect communication or account for a driver health emergency. By taking action in accordance with existing driver privacy protections, the legislature seeks to enhance health and public safety by the voluntary provision and careful use of this information.

**Sec. 2.** RCW 46.20.117 and 2018 c 157 s 2 are each amended to read as follows:

For those persons under (c) (i) through (iii) of this subsection, the fee must be the actual cost of production of the identicard.

(2) (a) **Design and term.** The identicard must:

(ii) Except as provided in subsection ~~((45))~~ (7) of this section, expire on the sixth anniversary of the applicant's birthdate after issuance.

(b) The identicard may include the person's status as a veteran, consistent with RCW 46.20.161 ~~((42))~~ (4).

(7) **Alternative issuance/renewal/extension.**

The department may issue or renew an identicard for a period other than six years, or may extend by mail or electronic commerce an identicard that has already been issued, in order to evenly distribute, as nearly as possible, the yearly renewal rate of identicard holders. The fee for an identicard issued or renewed for a period other than six years, or that has been extended by mail or electronic commerce, is nine dollars for each year that the identicard is issued, renewed, or extended. "**Sec. 1.** RCW 36.70A.130 and 2012 c 191 s 1 are each amended to read as follows:

(1)(a) Each comprehensive land use plan and development regulations shall be subject to continuing review and evaluation by the county or city that adopted them. Except as otherwise provided, a county or city shall take legislative action to review and, if needed, revise its comprehensive land use plan and development regulations to ensure the plan and regulations comply

with the requirements of this chapter according to the deadlines in subsections (4) and (5) of this section.

(b) Except as otherwise provided, a county or city not planning under RCW 36.70A.040 shall take action to review and, if needed, revise its policies and development regulations regarding critical areas and natural resource lands adopted according to this chapter to ensure these policies and regulations comply with the requirements of this chapter according to the deadlines in subsections (4) and (5) of this section. Legislative action means the adoption of a resolution or ordinance following notice and a public hearing indicating at a minimum, a finding that a review and evaluation has occurred and identifying the revisions made, or that a revision was not needed and the reasons therefor.

(c) The review and evaluation required by this subsection shall include, but is not limited to, consideration of critical area ordinances and, if planning under RCW 36.70A.040, an analysis of the population allocated to a city or county from the most recent ten-year population forecast by the office of financial management.

(d) Any amendment of or revision to a comprehensive land use plan shall conform to this chapter. Any amendment of or revision to development regulations shall be consistent with and implement the comprehensive plan.

(2)(a) Each county and city shall establish and broadly disseminate to the public a public participation program consistent with RCW 36.70A.035 and 36.70A.140 that identifies procedures and schedules whereby updates, proposed amendments, or revisions of the comprehensive plan are considered by the governing body of the county or city no more frequently than once every year (~~except that, until December 31, 2015, the program shall provide for consideration of amendments of an urban growth area in accordance with RCW 36.70A.1301 once every year~~). "Updates" means to review and revise, if needed, according to subsection (1) of this section, and the deadlines in subsections (4) and (5) of this section or in accordance with the provisions of subsection (~~(6)~~) (7) of this section. Amendments may be considered more frequently than once per year under the following circumstances:

(i) The initial adoption of a subarea plan. Subarea plans adopted under this subsection (2)(a)(i) must clarify, supplement, or implement jurisdiction-wide comprehensive plan policies, and may only be adopted if the cumulative impacts of the proposed plan are addressed by appropriate environmental review under chapter 43.21C RCW;

(ii) The development of an initial subarea plan for economic development located outside of the one hundred year floodplain in a county that has completed a state-funded pilot project that is based on watershed characterization and local habitat assessment;

(iii) The adoption or amendment of a shoreline master program under the procedures set forth in chapter 90.58 RCW;

(iv) The amendment of the capital facilities element of a comprehensive plan that occurs concurrently with the adoption or amendment of a county or city budget; or

(v) The adoption of comprehensive plan amendments necessary to enact a planned action under RCW ((43.21C.031(2))) 43.21C.440, provided that amendments are considered in accordance with the public participation program established by the county or city under this subsection (2)(a) and all persons who have requested notice of a comprehensive plan update are given notice of the amendments and an opportunity to comment.

(b) Except as otherwise provided in (a) of this subsection, all proposals shall be considered by the governing body concurrently so the cumulative effect of the various proposals can be ascertained. However, after appropriate public participation a county or city may adopt amendments or revisions to its comprehensive plan that conform with this chapter whenever an emergency exists or to resolve an appeal of a comprehensive plan filed with the growth management hearings board or with the court.

(3)(a) Each county that designates urban growth areas under RCW 36.70A.110 shall review, according to the schedules established in ((subsection)) subsections (4) and (5) of this section, its designated urban growth area or areas, and the densities permitted within both the incorporated and unincorporated portions of each urban growth area. In conjunction with this review by the

county, each city located within an urban growth area shall review the densities permitted within its boundaries, and the extent to which the urban growth occurring within the county has located within each city and the unincorporated portions of the urban growth areas.

(b) The county comprehensive plan designating urban growth areas, and the densities permitted in the urban growth areas by the comprehensive plans of the county and each city located within the urban growth areas, shall be revised to accommodate the urban growth projected to occur in the county for the succeeding twenty-year period. The review required by this subsection may be combined with the review and evaluation required by RCW 36.70A.215.

~~(4) ((Except as provided in subsection (6) of this section, counties and cities shall take action to review and, if needed, revise their comprehensive plans and development regulations to ensure the plan and regulations comply with the requirements of this chapter as follows:~~

~~(a) On or before December 1, 2004, for Clallam, Clark, Jefferson, King, Kitsap, Pierce, Snohomish, Thurston, and Whatcom counties and the cities within those counties;~~

(5) (a) Except as otherwise provided in subsections (7) and (9) of this section, following the review of comprehensive plans and development regulations required by subsection (4) of this section, counties and cities shall take action to review and, if needed, revise their comprehensive plans and development regulations to ensure the plan and regulations comply with the requirements of this chapter as follows:

(i) On or before June 30, 2024, and every ten years thereafter, for King, Kitsap, Pierce, and Snohomish counties and the cities within those counties;

(ii) On or before June 30, 2025, and every ten years thereafter, for Clallam, Clark, Island, Jefferson, Lewis, Mason, San Juan, Skagit, Thurston, and Whatcom counties and the cities within those counties;

(iii) On or before June 30, 2026, and every ten years thereafter, for Benton, Chelan, Cowlitz, Douglas, Franklin, Kittitas, Skamania, Spokane, Walla Walla, and Yakima counties and the cities within those counties; and

(iv) On or before June 30, 2027, and every ten years thereafter, for Adams, Asotin, Columbia, Ferry, Garfield, Grant, Grays Harbor, Klickitat, Lincoln, Okanogan, Pacific, Pend Oreille, Stevens, Wahkiakum, and Whitman counties and the cities within those counties.

(b) For Benton, Clark, Franklin, King, Kitsap, Pierce, Snohomish, Spokane, Thurston, and Whatcom counties, and the cities within these counties, the review and possible revision of comprehensive plans and development regulations required by this subsection (5) (b) is required every eight years, rather than every ten years as provided in (a) of this subsection, if the legislature has not appropriated the funding amounts specified in this subsection (5) (b) by the following dates to the department for the purpose of grants associated with the review and revision process required by subsection (6) of this section:

(i) By June 30, 2027, a minimum of eighty-five thousand dollars per affected jurisdiction, for the review and revision process required by subsection (6) of this section to occur during the years 2029 through 2031; and

(ii) By June 30, 2037, a minimum of one hundred five thousand dollars per affected jurisdiction, for the review and revision process required by subsection (6) of this section to occur during the years 2039 through 2041.

(6) (a) No later than five years after each of the deadlines for the review and possible revision of comprehensive plans and development regulations specified in subsection (5) of this section, Benton, Clark, Franklin, King, Kitsap, Pierce, Snohomish, Spokane, Thurston, and Whatcom counties and the cities within these counties, shall take additional action to review and, if needed, revise the following specific elements of their comprehensive plans and development regulations to ensure the plan and regulations comply with the requirements of this chapter:

(i) The housing element of the comprehensive plan, with the topics and scope subject to rules adopted by the department pursuant to (b) of this subsection; and

(ii) Development regulations that protect critical areas, in the event that the department or another state agency has issued official updated guidance regarding critical areas since the due date of the county's or city's previous review and possible revision of its comprehensive plan and development regulations.

(b) The department shall adopt rules to specify the threshold conditions that

will bring about the need for review and, if needed, revision of development regulation updates or other updates needed to meet the goals and requirements of the housing element. In specifying these threshold conditions, the department shall address, at a minimum, the following factors:

(i) What features, such as shifts in the regional housing market, would necessitate that counties and cities identified in (a) of this subsection take additional action under (a) of this subsection;

(ii) Based on the identified factors, how to determine which counties and cities identified in (a) of this subsection must take additional actions to review and, if needed, revise development regulations or take other actions to achieve the goals and requirements of the housing element of their comprehensive plan;

(iii) Which topics or components of the housing element must be reviewed and, if needed, what actions must be taken in order to align development outcomes with the goals within the housing element; and

(iv) How to execute the review and revision process over each successive ten-year planning cycle.

(c) Updates to comprehensive plans and development regulations made pursuant to this subsection (6) are subject to appeal to the growth management hearings board under RCW 36.70A.280.

(d) The requirements of this subsection (6) apply only if the legislature has appropriated the funding amounts specified in this subsection (6)(d) by the following dates to the department for the purpose of grants associated with the review and revision process required by this subsection (6):

(ii) By June 30, 2037, a minimum of one hundred five thousand dollars per affected jurisdiction, for the review and revision process required by this subsection (6) to occur during the years 2039 through 2041.

(7)(a) Nothing in this section precludes a county or city from conducting the review and evaluation required by this section before the deadlines established in subsections (4) and (5) of this section. Counties and cities may begin this process early and may be eligible for grants from the department, subject to available funding, if they elect to do so.

~~(b) ((A county that is subject to a deadline established in subsection (4)(b) through (d) of this section and meets the following criteria may comply with the requirements of this section at any time within the thirty six months following the deadline established in subsection (4) of this section: The county has a population of less than fifty thousand and has had its population increase by no more than seventeen percent in the ten years preceding the deadline established in subsection (4) of this section as of that date.~~

~~((8))~~ (9)(a) Except as otherwise provided in (c) of this subsection, if a participating watershed is achieving

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. This act may be known and cited as the peer-to-peer vehicle sharing program act.

NEW SECTION. Sec. 2. This chapter is intended to govern the intersection of peer-to-peer car services and the state-regulated business of insurance. Nothing in this chapter is construed to extend beyond insurance for peer-to-peer car sharing or have any implications for other provisions of the code of this state including, but not limited to, those related to motor vehicle regulation, airport regulation, or taxation.

NEW SECTION. Sec. 3. The definitions in this section apply

throughout this chapter unless the context clearly requires otherwise.

(1) "Car sharing delivery period" means the period of time during which a shared vehicle is being delivered to the location of the car sharing start time, if applicable, as documented by the governing car sharing program agreement.

(2) "Car sharing period" means the period of time that commences with the car sharing delivery period or, if there is no car sharing delivery period, that commences with the car sharing start time and in either case ends at the car sharing termination time.

(3) "Car sharing program agreement" means the terms and conditions applicable to a shared vehicle owner and a shared vehicle driver that govern the use of a shared vehicle through a peer-to-peer car sharing program. "Car sharing program agreement" does not mean rental car agreement, or similar agreement, as defined in RCW 48.115.005.

(4) "Car sharing start time" means the time when the shared vehicle becomes subject to the control of the shared vehicle driver at or after the time the reservation of a shared vehicle is scheduled to begin as documented in the records of a peer-to-peer car sharing program.

(5) "Car sharing termination time" means the earliest of the following events:

(a) The expiration of the agreed upon period of time established for the use of a shared vehicle according to the terms of the car sharing program agreement if the shared vehicle is delivered to the location agreed upon in the car sharing program agreement;

(b) When the shared vehicle is returned to a location as alternatively agreed upon by the shared vehicle owner and shared vehicle driver as communicated through a peer-to-peer car sharing program; or

(c) When the shared vehicle owner or the shared vehicle owner's authorized designee, takes possession and control of the shared vehicle.

(6) "Peer-to-peer car sharing" means the authorized use of a vehicle by an individual other than the vehicle's owner through a peer-to-peer car sharing program and has the same meaning as "personal vehicle sharing" as defined in

RCW 48.175.005. "Peer-to-peer car sharing" does not mean rental car as defined in RCW 46.04.465.

(7) "Peer-to-peer car sharing program" means a business platform that connects vehicle owners with drivers to enable the sharing of vehicles for financial consideration and has the same meaning as "personal vehicle sharing program" as defined in RCW 48.175.005. "Peer-to-peer car sharing program" does not mean rental car company as defined in RCW 48.115.005.

(8) "Program insurance policy" has the same meaning as defined in RCW 48.175.005.

(9) "Shared vehicle" means a vehicle that is available for sharing through a peer-to-peer car sharing program. "Shared vehicle" does not mean rental car as defined in RCW 46.04.465.

(10) "Shared vehicle driver" means an individual who has been authorized to drive the shared vehicle by the shared vehicle owner under a car sharing program agreement for noncommercial use. For the purposes of this subsection, "noncommercial use" means use other than that for a "commercial vehicle" as defined in RCW 46.04.140.

(11) "Shared vehicle owner" means the registered owner, or a person or entity designated by the registered owner, of a vehicle made available for sharing to shared vehicle drivers through a peer-to-peer car sharing program.

**NEW SECTION. Sec. 4.** (1) (a) A peer-to-peer car sharing program shall assume liability, except as provided in (b) of this subsection, of a shared vehicle owner for bodily injury or property damage to third parties or uninsured and underinsured motorist or personal injury protection losses during the car sharing period in an amount stated in the peer-to-peer car sharing program agreement and must be in accordance with chapter 48.175 RCW.

(b) Notwithstanding the definition of car sharing termination time as provided in section 3 of this act, the assumption of liability under (a) of this subsection does not apply to any shared vehicle owner when:

(i) A shared vehicle owner makes an intentional or fraudulent material misrepresentation or omission to the peer-to-peer car sharing program before

the car sharing period in which the loss occurred; or

(ii) Acting in concert with a shared vehicle driver who fails to return the shared vehicle pursuant to the terms of the car sharing program agreement.

(c) Notwithstanding the definition of car sharing termination time as provided in section 3 of this act, the assumption of liability under (a) of this subsection would apply to bodily injury, property damage, uninsured and underinsured motorist, or personal injury protection losses by damaged third parties required by chapter 46.29 RCW.

(d) A peer-to-peer car sharing program shall ensure that, during each car sharing period, the shared vehicle owner and the shared vehicle driver are insured under a program insurance policy in accordance with chapter 48.175 RCW.

(e) Nothing in this chapter:

(i) Limits the liability of the peer-to-peer car sharing program for any act or omission of the peer-to-peer car sharing program itself that results in injury to any person as a result of the use of a shared vehicle through a peer-to-peer car sharing program; or

(ii) Limits the ability of the peer-to-peer car sharing program to, by contract, seek indemnification from the shared vehicle owner or the shared vehicle driver for economic loss sustained by the peer-to-peer car sharing program resulting from a breach of the terms and conditions of the car sharing program agreement.

(2) At the time when a vehicle owner registers as a shared vehicle owner on a peer-to-peer car sharing program and prior to the time when the shared vehicle owner makes a shared vehicle available for car sharing on the peer-to-peer car sharing program, the peer-to-peer car sharing program shall notify the shared vehicle owner that, if the shared vehicle has a lien against it, the use of the shared vehicle through a peer-to-peer car sharing program, including use without physical damage coverage, may violate the terms of the contract with the lienholder.

(3) Nothing in this chapter invalidates or limits an exclusion contained in a motor vehicle liability insurance policy, including any insurance policy in use or approved for

use that excludes coverage for motor vehicles made available for rent, sharing, or hire, or for any business use.

(4) A peer-to-peer car sharing program shall collect and verify records pertaining to the use of a vehicle including, but not limited to, times used, fees paid by the shared vehicle driver, and revenues received by the shared vehicle owner and provide that information upon request to the shared vehicle owner, the shared vehicle owner's insurer, or the shared vehicle driver's insurer to facilitate a claim coverage investigation. The peer-to-peer car sharing program shall retain the records for a time period not less than the applicable personal injury statute of limitations.

(5) A motor vehicle insurer that defends or indemnifies a claim against a shared vehicle that is excluded under the terms of its policy shall have the right to seek contribution against the motor vehicle insurer of the peer-to-peer car sharing program if the claim is:

(a) Made against the shared vehicle owner or the shared vehicle driver for loss or injury that occurs during the car sharing period; and

(b) Excluded under the terms of its policy.

**NEW SECTION. Sec. 5.** (1) Each car sharing program agreement made in the state shall disclose to the shared vehicle owner and the shared vehicle driver:

(a) Any right of the peer-to-peer car sharing program to seek indemnification from the shared vehicle owner or the shared vehicle driver for economic loss sustained by the peer-to-peer car sharing program resulting from a breach of the terms and conditions of the car sharing program agreement;

(b) That a motor vehicle liability insurance policy issued to the shared vehicle owner for the shared vehicle or to the shared vehicle driver does not provide a defense or indemnification for any claim asserted by the peer-to-peer car sharing program;

(c) That the peer-to-peer car sharing program's insurance coverage on the shared vehicle owner and the shared vehicle driver is in effect only during each car sharing period and that, for any

use of the shared vehicle by the shared vehicle driver after the car sharing termination time, the shared vehicle driver and the shared vehicle owner may not have insurance coverage;

(d) The daily rate, fees, and if applicable, any insurance or protection package costs that are charged to the shared vehicle owner or the shared vehicle driver;

(e) That the shared vehicle owner's motor vehicle liability insurance may not provide coverage for a shared vehicle;

(f) An emergency telephone number to personnel capable of fielding roadside assistance and other customer service inquiries;

(g) If there are conditions under which a shared vehicle driver must maintain a personal automobile insurance policy with certain applicable coverage limits on a primary basis in order to book a shared motor vehicle; and

SUBSTITUTE HOUSE BILL NO. 2879 was read the second time.

Representative Vick moved the adoption of the striking amendment (1681).

Strike everything after the enacting clause and insert the following:

"NEW SECTION. **Sec. 1.** The legislature finds that manufacturing jobs are important to all regions of Washington because of their above-average wages and strong benefits. Manufacturing industries employ more than two hundred eighty-seven thousand people in Washington. Manufacturers help drive Washington's economy, producing more than fifty-eight billion dollars in goods annually and accounting for nearly twelve percent of the gross state product. More than eighty percent of Washington exports are manufactured goods. The legislature finds

that due to a complex variety of factors from global competition, automation, regulatory factors, and productivity gains, this sector of the economy has had output growth without experiencing the desired employment growth during this cycle of economic growth for the country and our state. The legislature intends to investigate these factors and discuss with private sector partners the full spectrum of policy levers that could improve and sustain long-term job growth and regulatory certainty for this critical sector of our economy. Therefore, the legislature intends that the department of commerce complete a study, in consultation with in-state manufacturing partners.

NEW SECTION. **Sec. 2.** A new section is added to chapter 43.330 RCW to read as follows:

(1) The department, in consultation with the leaders of the economic development committees of the legislature, is directed to complete a study of public policies that would foster growth of all subsectors of manufacturing and growth in manufacturing jobs throughout all of Washington's thirty-nine counties. The study shall include a comprehensive assessment of policy recommendations that will lead to improvement in regulatory conditions, infrastructure, and workforce development resources that support the growth and sustainability of the manufacturing sector. By December 31, 2020, the department must complete the study and recommend policies that will facilitate the development of manufacturing in all of Washington state's counties.

(2) The department shall meet regularly with an advisory committee convened by a statewide manufacturing association to assist in the scoping of the study and evaluation of policy recommendations. The department shall solicit information and analysis from other state agencies that have a regulatory and tax impact on the manufacturing industry. The advisory group shall be allowed to offer a report as an appendix to the official study and the department's policy recommendations. The advisory group shall include, but not be limited to, members from each of the following industry subsectors:

- (a) Aerospace manufacturing;
- (b) Food manufacturing;
- (c) Beverage manufacturing;

- (d) Wood product manufacturing;
  - (e) Primary metal manufacturing;
  - (f) Machinery manufacturing;
  - (g) Computer and electronic product manufacturing;
  - (h) Furniture and related product manufacturing;
  - (i) Transportation equipment manufacturing;
  - (j) Chemical manufacturing;
